Types of Employee Share Schemes Employee Share Option Plans. An employee share option plan is a type of employee share scheme that gives employees the option to buy shares at a certain price at a future date. Employees can purchase the shares at a set price, so they benefit if the value of shares at a future date is higher than the strike price.

Following on came the next round of testing for our All-In-One ESS. Namely, weight and depth of discharge. In addition, temperature range, operating humidity and altitude tests were checked. Essentially, with a 100% depth of discharge, operating humidity 95% and max. altitude of 4000 m we scored an excellent 4.1 rating. The All-Important Guarantee
