Score change: The score improved from 1 to 2 because broadband internet has become increasingly affordable in recent years. While prices are among the highest in the region, broadband access is affordable for most users given the country's high per capita income, 1 which the World Bank estimated to be \$87,300 in 2022. 2 The 2023 annual survey by the UK ...

In Dubai and the United Arab Emirates (UAE) the standard voltage is 220V at a frequency of 50 Hz. ... Dual voltage devices include laptop computers, tablets, battery chargers, digital cameras, mobile phones, etc. It is very easy to check if a device is dual voltage. Just check the label on the device or its charger/power supply.
