BayWa r.e. has helped Diermeier Energie GmbH, a company with great tradition, established in 1930, to get closer to its goal of being self-sufficient. Delivering a PV system for electricity and heat supply to the company"s new headquarters in Lower Bavaria, Germany.

BayWa r.e. Power Solutions has installed more than 100 megawatts (MW) of solar and 175 megawatt-hours (MWh) of storage--both standalone and solar-plus-storage installations--and has a healthy late-stage project pipeline of 600 MW of solar and 1 gigawatt-hour (GWh) of storage. Notable active projects include a 47 MW solar/135 MWh storage ...

BayWa r.e. recently announced that the BayWa Group plans to sell its solar distribution business to focus on the international project business and further expansion as an independent power producer (IPP). The sale supports the goal to triple the volume of the projects business by 2026 and grow the IPP portfolio to 3 GW.

Market leader in energy storage . Few companies have the breadth of experience in the rapidly growing energy storage sector that BayWa r.e. has. Ranked number one among storage EPC contractors by Solar Power World magazine, we have helped develop, engineer and build dozens of solar-plus-storage and stand-alone storage installations in Hawaii, California, and ...

The report has been shared with around 50 financing banks and BayWa r.e."s investors for review, with a final version expected by mid-December 2024. The core of the planned measures is a stronger focus on business areas with positive market outlooks where BayWa r.e. already holds a solid competitive position.
