

Bess availability Isle of Man

How can I start a business in the Isle of Man?

Whether you are an individual looking to take your first steps into self-employment; a business requiring funding to scale-up and grow; or an established organisation looking to invest and improve in a particular area, the Department for Enterprise has a number of opportunities for creating and developing a business in the Isle of Man.

What happens if Bess availability is less than guaranteed Bess availability?

If BESS Availability for an Operating Period is less than Guaranteed BESS Availability, then the O&M Contractor will be subject to liquidated damages ("BESS Availability Liquidated Damages"). BESS Availability Liquidated Damages will be calculated as specified in the chart set forth in Section I.1 above. 4. Excused Outages

When is a Bess considered available if a force majeure event occurs?

For purposes of calculating Unavailable Capacity, the BESS (or a portion thereof to the extent only a portion of the BESS is adversely effected) will be considered available to the extent resulting from a Force Majeure Event. 5. Reporting; Disputes

How long does a Bess capacity test take?

Owner may elect to measure the capacity of the BESS in MWs in accordance with this Exhibit G-2 at any time during the Term. Once requested to perform a Capacity Test (as defined below), O&M Contractor shall complete the test within 15 Business Days of the date of Owner's request.

What happens if a Bess fails to charge or discharge?

If the BESS fails to charge or discharge at the set point rate initiated by Owner, then a portion of the BESS's Capacity shall be deemed to be partially unavailable for a particular Settlement Interval as determined according to the following formula (each, a "Performance Shortfall"):
