The Government of Uzbekistan is looking to develop up to 1 gigawatt of solar power and signed a mandate with IFC, a member of the World Bank Group, for a 100 megawatt project in the Navoi region in southwestern Uzbekistan in May 2018. ...

Last week, a client came a long way from Uzbekistan to BR Solar. We showed him around the beautiful scenery of Yangzhou. There is an old Chinese poem translated into English as "My friend has left the west where the Yellow Crane towers; For River Town veiled in green willows and red flowers." So, Welcome all our clients to Yangzhou.
