

Can I put things in the middle of the locker

Where can you hang a locker?

You can hang hooks on the ceiling, side, or door of the locker to double the available space. Anything you would normally hang in your locker will benefit from this additional storage.

How do you store small items in a locker?

Use magnetic spice jars to store little items in your locker by repurposing them as storage. The sides of your shelves or the inside of your locker door are good places to attach them. Paper clips, rubber bands, and other little materials that are prone to be misplaced are ideal for keeping in them.

How do I organize my locker?

If you want to get even more organized, try color-coding your stuff by class. Make the most of your locker's space by adding handy shelves and magnetic accessories like hooks, folders, and bins. They'll help you neatly separate everything and keep items from getting tossed at the bottom.

Do you need a locker on the first day of school?

The first day of school means a shiny new locker and a chance to make this your most organized year yet. A well-organized locker can help you stay on top of assignments and get to class on time, but figuring out how to store textbooks, notebooks, binders, school supplies, and more in such a small space is no easy feat.

Can you get a locker in Middle School?
