Why Choose the Muller Energy 200Ah LiFePO4 Battery + Victron Bundle: The Muller Energy 200Ah LiFePO4 Battery + Victron Bundle offers an unbeatable combination of reliable, long-lasting energy storage with industry-leading Victron technology. It provides peace of mind for anyone needing dependable off-grid power, backup energy systems, or mobile ...

Household Fuel Use in Rural China Christophe Muller, Huijie Yan To cite this version: Christophe Muller, Huijie Yan. Household Fuel Use in Rural China. 2018. [halshs-01735847](#) ... China's energy transition is of vital importance to the world. China has overtaken the United States as the world's largest energy consumer since 2010. Its ...

The household transition from dirty to clean fuels is important because of its economic, health and environment consequences, locally, nationally and globally. In order to study fuel choices, a non-separated farm household model for fuel demands is developed. Then, discrete choice equations of fuel uses, consistent with this theoretical model, are estimated ...
