

# Cocos Keeling Islands swarey 518wh

??????=??

The Cocos Keeling Islands is often a last stop for sailors before heading across the Indian Ocean towards Africa. Sailing to Cocos As the Cocos Keeling Islands is an Australian territory, Australian government visa documentation is required for arrival and will be inspected by the Australian Federal Police along with your valid passport.

The Cocos Keeling Islands are also home to red crabs, which are only found here and on Christmas Island. Also not to be missed are the blue-tailed skinks. The rainbow-hued lizard can be seen roaming free and basking in the tropical sun ...

The Cocos (Keeling) Islands were visited by Charles Darwin who used observations made there to develop his theory of the formation of coral reefs and atolls.. Geography. The Cocos (Keeling) Islands consist of two flat, low-lying coral atolls located 1720 miles (2,768 km) north-west of Perth, 2,290 miles (3,685 km) due west of Darwin, and approximately 621 miles (1,000 km) south ...

The Cocos Keeling Islands has a tiny local community of around 600 people. Despite mixed origins, the Cocos Malay people have achieved an identity of their own. History, culture & language Today the cornerstone of Cocos Malay society is the Islamic Religion. Few depart from its teachings, and Islam is the focus of most people"s lives.
