

DR Congo perpetual energy inc

How much power does DR Congo have?

According to the latest figures from the International Renewable Energy Agency, DR Congo only had 20 MW of installed PV capacity at the end of 2020. The country has one of the lowest levels of access to electricity in the world, with only 9% of the population being supplied with power. This percentage in rural areas drops to as far as 1%.

What's going on with Congo energy & Perenco?

Some electricity from the plant is to be sold to miners of the former Grand Katanga province. A group of Congolese firms gathered under the banner of the consortium Congo Energy signed a memorandum of understanding (MoU) with the French oil company Perenco in February.

Who is Congo energy?

Exclusive distributor of PRAMAC products in the DRC, Congo Energy offers a wide range of reliable and efficient generator sets. Our energy solutions cover various sectors, from light industry to specific infrastructures such as health and data centers. Thanks to our expertise, we offer tailor-made solutions and efficient after-sales service.

When will DR Congo's solar power plants be built?

The plants are to be built by the Moyi Power joint venture and are expected to be completed within 18 months after the start of construction. According to the latest figures from the International Renewable Energy Agency, DR Congo only had 20 MW of installed PV capacity at the end of 2020.

Is Congo energy 100% Congolese?

The head of its Congolese branch, Yvonne Mbala, had spoken about the idea as early as 2019. It would allow the oil company to utilise gas that is currently flared from its offshore oil fields. According to our sources, Congo Energy - which claims to be 100% Congolese - is led by NSM, an engineering company owned by entrepreneur Jean-Michel Ghonda.

Will a gas-fired power plant be sold to miners in Kongo?

Several Congolese companies have joined forces to develop a gas-fired power plant project in Kongo-Central province. Some electricity from the plant is to be sold to miners of the former Grand Katanga province.
