Who is DSG power systems?

DSG Power Systems is your go-to for diesel parts and service. Whether you're running a Super Duty truck, a CATERPILLAR bulldozer, or anything in between, our expertise ensures top-notch support. We're known for our reliable diesel engine services in Saskatoon, catering to diverse industries with precision and care.

Why should you choose DSG power systems?

DSG Power Systems is dedicated to keeping your machinery in peak condition. Our skilled technicians provide thorough inspections and maintenance to ensure you're always ready for the field. Schedule your service today and keep your operations smooth!

Does DSG offer winter diesel additive?

Our 4+ winter diesel additive supplier solutions are designed to prevent fuel gelling and enhance cold weather performance. Trust DSG for the best diesel treatment for winter in Canada, keeping your engines running reliably through the coldest months. Combat freezing temperatures with DSG's specialized shop cold weather diesel additive.

Does DSG thaw diesel fuel?

When winter strikes hard, rely on DSG's 4-diesel-melt to thaw and prevent frozen diesel fuel issues. This specialized additive ensures your equipment stays operational, minimizing downtime and maximizing productivity during the toughest weather conditions. Gets you running in twenty minutes or less.
