

Why should you choose solar Fiji?

As an official partner of Victron Energy, our quality solar products and services are designed to maximize the longevity of your system, providing energy efficiency and cost savings for the long term. If you're looking for a reliable and experienced renewable energy service provider in the South Pacific, look no further than Solar Fiji.

Who is solar Fiji?

Solar Fiji specialize in the supply, engineering and installation of Solar & Battery power systems in the South Pacific. Solar Fiji's operational headquarters is located in Nasinu, Suva and operate a sales office in Namaka, Nadi and Melbourne, Australia.

Why do businesses use solar energy in Fiji?

With on-site solar energy generation in Fiji, businesses can generate their own electricity and become less vulnerable to power outages, grid disruptions, and energy supply constraints. Many organisations in Fiji switch to solar energy as part of their commitment to sustainability and reducing their carbon footprint.
