

Guadeloupe the patriot solar generator

How many solar panels can you connect to a patriot power generator?

More panels = more power. You can safely connect up to 4 solar panels to your Patriot Power Generators. Meaning you could "quadruple" your recharge power. If this seems like a "high-tech" task, it's not. Every solar panel is made with the ability to "chain" to another panel.

Does the Patriot solar generator have a warranty?

It also has a 1-year warranty: you can return the Patriot solar generator at any time without any questions asked. The "total power package" from 4Patriots includes a Patriot solar power generator 1800 and the Patriot Power Sidekick. It also has two solar panels in a kit: one has 100W power output and the other provides 40W of power.
