

Guam entrix energy

How does Entrix optimize the value of your energy assets?

We at Entrix optimize the value of your energy assets in real-time. Based on predictions of the energy system and energy markets, our solution trades your assets' capacity into the right markets at best possible prices - tailored to the changing circumstances of every single day. In everything we do, we take a full asset lifecycle perspective.

What does the Guam Energy Office do?

The Guam Energy Office, as a line agency within the Executive Branch, implements energy programs for the benefit of the island community using grants awarded by the U.S. Department of Energy - the State Energy Program (SEP) and the Weatherization Assistance Program (WAP).

When will the Guam Energy Office reopen?

The Guam Energy Office will reopen for business starting Monday, June 1, 2020 from 8:00 am to 5:00 pm. Effective June 1, 2020, all GovGuam offices, agencies, and departments will recommence public operations. Continued compliance with Social Distancing rules will be strictly enforced, thus services will be limited to those with appointments only.

How do I contact Entrix Energy for careers?

For career-related inquiries, please contact us at talent@entrixenergy.com. Müge Arslantür (Head of People) and Kristina Kilian (People & Culture Manager) are happily answering your questions. If you have a press inquiry, contact us at press@entrixenergy.com.

What is the Guam Tropical Energy Code (GTEC)?

The Guam Tropical Energy Code (GTEC) is a law signed into effect on January 22, 2023 (in effect as of January 22, 2023). It is referred to as P.L. 35-145. The GTEC provides common construction requirements that will improve energy conservation within any new residential and non-residential building construction or renovation.
