The latter promises up to 300 units of free electricity per month for consumers who install rooftop solar. As per the new scheme, houses with solar plants up to 3 KW will now get up to Rs 78,000 subsidy as compared to the Rs 43,764 of the earlier scheme. The scheme's target group is low- and middle-income households.

3 ???· However, the government's stated goal of helping five million homes with this scheme still leaves millions of people without solar panels - or any way of affording them. The government has also begun setting up Great British Energy, a state-run green energy supplier that should eventually lower household bills, but won't make it easier for ...

The Government has allocated a total capacity of 39,600 MW of domestic Solar PV module manufacturing capacity to 11 companies, with a total outlay of Rs. 14,007 Crores under the Production Linked Incentive Scheme for High Efficiency Solar PV Modules (Tranche-II). Manufacturing capacity totaling 7400 MW is expected to b
