

What is the en SL RLC Power Pack?

It alerts the operator of any irregularities by causing the LED indicator integrated in the housing to flash. Identical in all technical aspects to the EN SL LC, the EN SL RLC power pack comes additionally with a signal socket above the earthing sleeve.

What is Haug ionization?

HAUG Ionization - for the elimination of electrostatic chargesS-Line power pack EN SL With his modular electronic components the power pack guarantees a service-friendly power supply. The power pack comes with two high-voltage terminals and was designed to provide HAUG ionizing systems with the required voltage.

What is Haug multistat-ex?

The Multistat-EX is for operating explosion proof Haug static barswhich meet international Atex standards and has a builtin system to shut down if there is a chance of a spark developing. Haug has a variety of power supplies or power packs to address each application depending on the critical nature of the specific use.

Does Haug have a power supply?

Haug has a variety of power suppliers or power packs to address each application depending on the critical nature of the specific use. For non-critical applications the standard EN-C power supply is a low cost means to power the ionizing products. The EN-C has two outlets (also called the EN-C2) to handle two ionizing product connections.

What is a Haug en 8 ionizing unit?

The EN 8 is the same unit without the fault indicating system. The Multistat power pack like all Haug power supplies produce a high voltage of 7 - 8 kVAC to operate all HAUG ionizing units. The Multistat has four outlets but also has an analog gauge to indicate f the operating high voltage is within range for the ionizing systems to work.

Are Haug power supplies CSA approved?

CSA approved. The Haug S-Line or EN-SL Power Supplies or Power Pack units are CE approved for European applications and where the CE approval is required. Like the EN-C the EN-SL series produces a high voltage in the range of 7,000 to 8,000 volts. The S-line series comes in three versions.
