Hiko's Voltage Quality solution empowers you to stay ahead of the curve in an evolving energy landscape. By continuously monitoring voltage variations across your network, we help you: Proactively manage voltage extremes before they impact consumers. Protect valuable network assets from voltage-related stress.

Consumer reviews about HIKO Energy: unfairness. Mar 13, 2014 RIPOFF! AVOID! This company is the worst service provider stocked full of liars. I was approached by a salesman at the door promising lower rates plus a the 12th month free if I am a loyal customer for that long. My energy bills doubled when I switched over.
