

How long can I store my belongings in a self-service locker

How does self storage work at Safestore?

You bring your goods or possessions to the storage centre, lock them in the room and come and go as you please during opening hours. You are the only key holder. You can store almost anything unless it is perishable, live or flammable. The best way to find out how Self Storage works at Safestore is to drop into any of our storage centres.

Where can I find self storage units?

When it comes to storage solutions, Safestore has got you covered! Whatever items you need to store, you'll find many different sizes of self storage units at Safestore's ever-growing number of storage facilities, all conveniently located near major cities with easy access via main road networks.

Are Safestore storage units accessible 7 days a week?

At Safestore, we know that accessibility is crucial. That's why all our storage units are accessible 7 days a week, giving you the flexibility to access your belongings when it's convenient for you.

What is self storage & how does it work?

Self Storage is a relatively recent service industry in the UK. Self Storage centres have a selection of room sizes that you can hire from a locker up to the size of a tennis court or larger, short or long term. You bring your goods or possessions to the storage centre, lock them in the room and come and go as you please during opening hours.

What is a self storage offer?

This offer applies to individual self storage rooms of the same size as the competitor (not container storage) within a 3 mile radius of the store inside the M25 and within a 5 mile radius throughout the rest of the UK. Price comparisons are for the total storage charge including VAT based on a 4 week stay.
