

How to bind to the square power grid using WeChat

How does WeChat work?

The platform includes all the everyday essentials in the interface of a single app. By linking a WeChat account to a bank card, users can order taxis, buy airplane, train, and movie tickets, book hotels, pay utility bills, transfer money to other users, top-up cell phone accounts, and manage personal finances.

Do Chinese WeChat subscribers need to take their wallets?

Chinese WeChat subscribers do not need to take their wallets when they leave their homes. Over 900 million WeChat Pay accounts are active, with restaurants, clothing stores, and street food vendors, and use QR codes to replace cash and bank cards. Handheld machines once used for swiping cards now come equipped with a barcode and QR code scanner.

Can WeChat block external links?

WeChat has its own rules and regulations related to external links and specifies ten types of content with external links that may be blocked. Here is the English translation: According to WeChat's regulations, once found, these external links will be blocked immediately and the related official account may also be sanctioned.

Does WeChat block content from other social media and e-commerce platforms?

In addition to external links linked to kind of content listed above, WeChat also blocks content from some other social media and e-commerce platforms. Usually, links from these platforms can't be opened within WeChat. Instead, the user will be asked to open the link in another browser like Safari or Chrome.

Can WeChat use external links?

One of the biggest headaches for Official Account users is the complicated rules surrounding external links. While a lot can be done within WeChat, many brands and marketers still want to take users to external websites for various purposes such as campaigns and e-commerce, however, this is much easier said than done.

Can I use a JCB Card on WeChat?

Although you can link a foreign Visa, MasterCard or JCB card to your WeChat account, you can only use it to make some online payments. You won't be able to use your WeChat-linked bank card to add money to your WeChat balance, which is actually the primary way to pay/receive money in China. Not to worry, though; there is another way!
