H Series VRLA tubular gel battery! The long service life of the battery is guaranteed throughout the whole cycle (50% depth of discharge up to 3000 times) - it also exhibits excellent discharge resistance and can continue to discharge even after extended periods without power, making it very well suited to industrial applications.

The VRLA gel battery is maintenance-free and available worldwide, with a five-year warranty. The battery is designed for on-grid renewable, solar home systems and is available in a variety of modular setups. The power supply from the battery can be used as a back-up in the event of a power outage. About GNB Industrial Power
