Where can I buy URECO solar panels?

You can buy URECO solar panels by shopping online on the Solarflexion website or by calling Solarflexion at 800-942-2424 for your solar needs.

Is it time to install solar panels in the Manx?

Even on a bright Manx winters day a panel can generate a considerable amount of electricity (perhaps 30% of capacity). There is something very satisfying about receiving an energy bill from Manx Utilities which is not only zero, they might pay you because of excess energy sold to the grid. There has never been a better time to install solar.

How many solar sites will Manx Utilities have?

Working with the Department of Infrastructure, Manx Utilities has identified over 30 sites suitable to deliver a total of 30 Megawatts of solar power on the public estate. The first phase of solar installations will see five projects being progressed with more sites to be identified to reach the 10 Megawatt objective.

The standard warranty for URECO solar panels lasts for 25 years. This stands for both product and power output warranty. Product warranty protects your panels from manufacturing defects and premature wear and tear. A power output warranty ensures that the solar panel retains a certain percentage of its rated power output after 25 years.

URE Power modules, built with URE-owned high efficiency mono PERC solar cells, have high photon-to-energy conversion efficiency and rigid installation mechanical strength. With URE high quality solar module products, the stable and plentiful power output can be addressed. 5BB PERC cell inside. Less PID effect, 1500 VDC system voltage for lower BOS.
