

Why did Kingdom for energy investments acquire 30% of Jordan Solar One?

Kingdom for Energy Investments Company acquired 30% of Jordan Solar One to help the government meet the increasing demand for electricity in Jordan. Under a Power Purchase Agreement (PPA), Jordan Solar One will provide the National Electric Power Company (NEPCO) with clean electricity for 20 years.

What is Jordan Solar One?

Jordan Solar One is one of the biggest plants with 20 MW capacity of solar Photovoltaics (PV) installed on 200 Acres in Al Mafraq, 50 km to the North East of the capital, Amman. Kingdom for Energy Investments Company acquired 30% of Jordan Solar One to help the government meet the increasing demand for electricity in Jordan.

Why should Jordan invest in solar & wind power?

Among others, these benefits include energy independence and the possibility of meeting Jordan's growing energy demand in a sustainable and cost-effective way. In recent years, market reforms and legislative frameworks have stimulated large solar and wind capacity additions at favourable prices.

Should Jordan switch to a more renewables-based energy mix?

With some of the strongest solar potential in the world, as well as significant wind resources, Jordan can harness great benefits from its transition to a more renewables-based energy mix. Among others, these benefits include energy independence and the possibility of meeting Jordan's growing energy demand in a sustainable and cost-effective way.

Does Jordan have a long-term Energy Outlook?

In this context, the Business and Investors Group encourages Jordan to establish a predictable long-term outlook for its generation mix, including various renewable energy sources as well as a regional power system approach/plan.

Why are investors worried about Jordan's long-term strategy?

Rapid policy changes and discontinuity in the regulatory framework could undermine investors' confidence in Jordan's long-term strategy. The main areas of concern for private sector players in this regard include unexpected cancellations of tenders, as well as proposed and potential changes to local content requirements.

We are happy to announce that Sun Investment Group has become a member of the Italian Solar PV Association "Italia Solare", the only Italian association dedicated exclusively to the Solar PV value chain. Sun Investment Group Italy Development Director Giuseppe D'Elia says that Sun Investment Group is rapidly growing in Italy.
