To become a leading outdoor portable power station manufacturer and solution provider globally. Meet Our Proactive Teams. Lipower's success relies on each of our dedicated members. From dedicated plan and production department, ...

The Fengning Pumped Storage Power Station (Chinese: ????????) is a pumped-storage hydroelectric power station about 145 km (90 mi) northwest of Chengde in Fengning Manchu Autonomous County of Hebei Province, China. Construction on the power station began in June 2013 and the first generator was commissioned in 2019, the last in 2021. Project cost was US\$1.87 billion. On 1 April 2014 Gezhouba Group was awarded the main contract to build the po...
