

Maldives power pack

Do you need a power plug in the Maldives?

In the Maldives, power plugs and sockets of type D and type G are mainly used. For most travelers from regions where these types are not standard, it's advisable to carry a universal power plug adapter that can accommodate these types. This ensures you can charge your devices seamlessly no matter where you are in the Maldives.

What type of power sockets are on the Maldives?

The power sockets on the Maldives are of type D and G. The standard voltage is 230 V at a frequency of 50 Hz. Check your need for a power plug (travel) adapter on the Maldives.
