

Somos una empresa con más de 47 años de experiencia en la comercialización de Maquinarias y Equipos, desde Plantas Eléctricas, pasando por equipos Agropecuarios, Industriales y para la construcción. Contamos con ventas al mayor y detal. Dinámicos, nos adaptamos a los cambios del mercado y las exigencias de nuestros clientes.

Acercate al CENTRO COMERCIAL CIUDAD TAMANACO en Caracas y podrás ver la exhibición de nuestro equipo con la última tecnología POWERWALL DOMOSA que es un sistema de respaldo eléctrico, especial para apartamentos, que no ...

Tesla Powerwall 2: Tesla's second-generation Powerwall, released in 2016, was a major upgrade in terms of both capacity and usability. With a 13.5 kWh capacity, it more than doubled the storage of its predecessor. Tesla also integrated the inverter directly into the Powerwall 2, simplifying the installation process and reducing overall costs.

The initial Powerwall, unveiled in 2015, was a DC (direct current) home battery but has since been phased out. In 2016, the Powerwall 2 hit the scene, boasting an AC (alternating current) battery design with more than double the capacity of its predecessor. Early models of the Powerwall and its rivals like Sonnen and LG were DC batteries.

The Tesla Powerwall 3 is a residential energy storage system that combines a 13.5 kWh battery with an integrated solar inverter in a compact unit. Designed for whole-home backup capability, this all-in-one system delivers up to 11.5 kW of continuous power, enough to support most household needs including heavy-load appliances. ...
