Retrieved 5 June 2016. ^ ab “Nord Stream 2: Trojan Horse or Guarantee of Security”;

Is the Nord Stream 2 pipeline undermining Europe's energy security?

In January 2018, United States Secretary of State Rex Tillerson said that the U.S. and Poland oppose the Nord Stream 2 pipeline, saying they see it as undermining Europe's overall energy security and stability. ^[163]

What happened to Nord Stream 2?

On 2 March, it was reported that Nord Stream 2 AG, a subsidiary of Russian state-owned gas company Gazprom, had ended business operations and laid off all 106 members of its staff as a result of sanctions imposed as a result of the Russian invasion of Ukraine, though earlier reports that it had filed for bankruptcy were denied. ^[130] ^[131]

Why did Russia stop delivering gas to Nord Stream 2?

Nord Stream 2 never delivered any gas, while Russia suspended gas deliveries through Nord Stream 1 from August 31 2021, quoting “maintenance needs”. This situation became permanent after the destruction of three of the pipelines in September 2022 and sanctions linked to the Russian invasion of Ukraine. ^[11]

Does Nord Stream 2 have a contemporary status under EU and international law?

“Amendments, annexations, alternatives: Nord Stream 2's contemporary status under EU and international law”; The Journal of World Energy Law & Business. 12 (6): 502-512. doi: 10.1093/jwelb/jwz031. ^ Rettman, Andrew (27 September 2019). “Russian pipeline firm launches anti-EU dispute”; EUobserver. Retrieved 22 December 2019.
