

What is the national energy policy of Ghana?

XVII Art. Cabinet at its forty-seventh meeting on 25th March, 2023 approved the reviewed National Energy Policy of Ghana which is intended to guide the development and management of Ghana's energy sector, especially during this era of the global call to transition to clean energy use.

When did the PNP become a political party in Ghana?

The People's National Party (PNP) was one of the five parties that contested the elections when political activities resumed in Ghana in 1979. It was the ruling party during the Third Republic (1979-1981). All political parties in Ghana were disbanded following the January 1972 military coup led by Col. Ignatius Kutu Acheampong.

Can a solar power plant be profitable in Ghana?

Other sites with much bigger potential can be profitable if only they are developed as hybrid schemes or for multi-purpose (water supply, irrigation, transportation) use. Ghana is well endowed with solar energy resources, which could be exploited for electricity generation and thermal applications such as water heating and crop drying.

Who is Ghana National Gas Company Limited (GNGC)?

Ghana National Gas Company Limited (GNGC) was established in 2011 as a limited liability company with the responsibility to build, own and operate the national gas infrastructure required to ensure the role of a gas transmission utility.

Who owns the first nuclear power plant in Ghana?

Nuclear Power Ghana (NPG) Limited was approved by Cabinet to be the Owner-Operator of the first Nuclear Power plant in Ghana and was subsequently incorporated in 2018. Stakeholders of NPG Limited are the VRA, BPA and the Ghana Atomic Energy Commission (GAEC).

Is nuclear power the next clean baseload option for Ghana?

Nuclear power has the advantage of greater security of supply and non-emission of Greenhouse Gases (GHGs). In Ghana's quest to improve upon energy security in the future, the energy sector has commenced the necessary steps of incorporating nuclear power as the next clean baseload option for the country.
