Mr de la Rue said he expected that the price of electricity in Guernsey would continue to rise, but islanders could address this by investing in solar and battery technology. "The electricity tariff has gone up year-on-year for the last three years," said Mr de la Rue, "and it certainly sounds like it will continue in that trajectory.

ReEnergy Solar Solutions aims to provide a better and reliable solar solutions such as Solar Water Heater, Solar Home Lighting Systems, Solar Street Lighting Systems, Solar Pump, Solar Inverter and so on to the end user and reducing green house effect.
