

Will the United States work with partners in Syria?

The United States will work with partners and stakeholders in Syria to help seize the opportunity that has presented itself after rebel fighters' stunning overthrow of Syrian President Bashar al-Assad, President Joe Biden said on Sunday.

Will the United States help restore Syria after a decade of war?

"This process will be determined by the Syrian people themselves," Biden said. "The United States will do whatever we can to support them, including through humanitarian relief, to help restore Syria after more than a decade of war and generation of brutality by the Assad family."

Why is the US not supporting ISIS in Syria?

The surprise offensive on Aleppo by Syrian rebel groups has left the US in the difficult position of not fully supporting either side while also maintaining a force posture of nearly 1,000 troops in Syria as part of the ongoing mission to fight ISIS.

Why did Biden announce dozens of airstrikes in Syria?

Speaking at the White House in his first substantive comments since President Bashar al-Assad's regime fell in the face of an astonishingly swift rebel offensive, Biden also announced the US had conducted dozens of airstrikes in Syria as it remains committed to preventing the resurgence of ISIS.

How much stabilization assistance does the United States provide in Syria?

The United States has provided more than \$1.3 billion in stabilization assistance for non-regime-held areas of Syria since 2011. The State Department describes stabilization assistance in northeast Syria as a counterweight to the influence of the Islamic State.

Why does the United States maintain sanctions on Syria?

The United States maintains sanctions on Syria for its support for terrorism, interference in Lebanon, chemical weapons use, and human rights violations. U.S. compliance guidance states that the United States "remains committed to ensuring that humanitarian assistance flows to the Syrian people."

MFR believes food is a powerful way to bring people and different cultures together.
