Romania solix f3800

Anker SOLIX F3800 has 3.84kWh to power your family's needs for one day. If that's not enough, add up to 6 battery packs to expand capacity to 26.9kWh. For extreme situations, add another Anker SOLIX F3800 and 12 battery packs for enough power for two weeks. Dual-Voltage for Any Appliance: No more limitations when you're powering your dryer.

Hi, I'm getting conflicting info on how I can remotely access my solix F3800 when not at home. I read somewhere that once you've got Bluetooth and Wi-Fi set up and you are connected to your F3800 via the Anker app, there is a setting that allows you to configure remote access, but my app settings does not show any such setting selection. I read somewhere else ...
