Saint Lucia merlin power

The top prizes offered for Power Play are far from being the world jackpot records, but all of them are good for the locals. Typically, the top-winning amount begins at EC\$1,500 and continues to increase incrementally until it reaches EC\$150,000.. Usually, full matches occur every 3-4 months, so the top awards rarely exceed EC\$150,000.

Alternative firmware for Asus wireless routers. Asuswrt-Merlin is a third party firmware for select Asus wireless routers. Based on the Asuswrt firmware developed by Asus, it brings tweaks, new features and other improvements to the original firmware, while retaining its performance and ease of use.
