What is savant power system?

Savant Power System delivers the ultimate solution for smart energy management. Monitor production and usage trends, control circuits at the distribution panel, and manage solar, battery, or generator backup sources all via the award winning Savant App. Our systems scale to meet the needs of any site from single family homes to large installations.

Why do you need a savant power module?

If your home has an automatic generator or battery storage, Savant Power Modules allow you to tailor the circuits being powered during a grid outage, because the real critical loads are the ones you need right now. Back up your home power with robust and reliable solar inverter and battery storage solutions from Savant.

Are Savant homes smart?

Savant Homes are more than just smart, they have a backup plan when the power goes out. Automate everything from lighting to music to video in every room, while not needing to rely on the grid. Proactively manage energy to offset peak utility costs, weather power outages, and optimize energy usage even when on-grid.

Does Savant offer a personal smart home consultation?

Savant now offers personal smart home consultations to help you start your project quickly and smoothly. All we need is your contact info and some details on what you are interested in so we can match you up with the perfect Savant install consultant. Do you have Savant in your home already?

What is a savant level 2 EV charger?

Stunning and powerful, the Savant Level 2 EV Charger is beautifully designed, rain tight, and feature rich. Convenient and rapid at-home charging for your electric vehicle that also lets you monitor energy consumption trends, manage power, and more right from the Savant app.

Vietnam has an installed power generation capacity of about 55GW and GE helps supply 30 per cent of its electricity needs through its more than 25 gas turbines and seven steam turbines across 11 power plants and other projects throughout the country. These projects enable Vietnam's economic development and are each a testament to the hard ...
