

Who is solar & storage live Zürich?

Solar & Storage Live Zürich attracts a large local audience of installers, commercial and industrial users, property and landowners and utility companies. All eager to source solar and storage solutions to drive a change in their community.

What is solar & storage live?

Solar & Storage Live offers you a unique opportunity to connect with a large and targeted audience of Swiss solar professionals looking for the latest solar and storage products and services.

Is Switzerland a good place to invest in solar PV?

Switzerland still has a largely unexploited solar PV potential in already-built-up areas. An economic optimum could be reached if fewer than two out of three roofs are covered. The next step is to determine which roofs are most suitable.

Why should you attend Solar & Storage?

“Solar & Storage is a highly-professional and very well organised event. It brings together industry experts, thought leaders and friends into one place. It enables us to network, educate and create many happy memories together. The event is appreciated by all who attend.” “The event is simply the best in the market for Solar, Storage and EV.
