

The solar business is based on the ability of the users of solar energy systems to save on energy costs and reduce their carbon imprint as compared with power purchased from the local electricity utility company. SolarMax was founded in 2008 to engage in the solar business in the United States and commenced operations in China in 2016.

Solar System Sculpture Walk. Photo: Falkland Islands Tourism Board. This stunning series of sculptures is accessible from Stanley and takes a full day's hiking to explore. Designed and constructed by local artist Rob Yssel from recycled local materials, this 1:1 billion scale model of the solar system is completely unique to the Falklands.
