

Renewable energy in the DRC, particularly solar, offers a crucial opportunity for growth. The importance of providing off-grid solutions cannot be overstated, as a recent study found that nearly 60% of off-grid solar customers ...

India's Soleos Energy, in partnership with Melci Holdings, has started building a 200 MW solar plant in the Democratic Republic of Congo (DRC). The project cost is estimated at \$200 million. Soleos Energy is a solar ...
