Who is Gangotri Solar System?

Welcome to The Power of Renewable Energy Gangotri Solar System Pvt. Ltd. is committed to providing you with high-quality solar products that contribute to a greener future. With a focus on innovation and sustainability, we are your partner in harnessing the limitless power of the sun for a brighter and more environmentally conscious tomorrow.

How many solar panels will Australia's 'Green Store' provide?

Australian Antarctic Division Director, Mr Kim Ellis, said the system of 105 solar panels, mounted on the northern wall of the 'green store', will provide 30 kilowatts of renewable energy into the power grid -- about 10 per cent of the station's total demand over a year.

Where did Masdar solar panels come from?

Masdar sourced the solar panels from Aleo Solar in Germany, while Australian Antarctic Division engineers undertook wind modelling, produced technical drawings, and devised a special mounting system of brackets and rails to fit the corrugated shape of the green store cladding.
