What if I have a broken solar panel?

If you have a broken solar panel, call our Service Department first. You should never attempt to remove a solar panel on your own. Our service team will either repair it off-site, or recycle the panel at a glass recycling facility. Alternatively, you can post your panel online and give it to someone who will repurpose it.

Questions about solar panel repair near you. Solar panels require repairs for all sorts of reasons. Some are simply old while others become physically damaged. Whatever the cause, repairs are often necessary to help maintain your solar panel's overall performance. Here, we answer some of the common queries about solar panel repairs.
