Sterling Energy plc Results for the six months ending 30 June 2020 Overview Sterling Energy plc ("Sterling" or the "Company") an upstream oil and gas company listed on the AIM market of the London Stock Exchange (Ticker Symbol: SEY) today announces its results for the six month period ending 30 June 2020.

Those of us who have tracked solar energy innovations for several decades will likely have heard about Stirling engines. This sealed "heat engine" technology has been around a long time--since 1816, in fact--when it was invented by the Scottish clergyman and inventor Robert Stirling. For decades, while there were cool models to demonstrate the principle in ...
