Explore our innovative solar structures, combining functionality and design. From solar pergolas to carports equipped with photovoltaic panels, we provide aesthetic and efficient solutions to integrate solar energy into your daily environment.

A major efficiency boost, Marnix explains: "By using components more intelligently and in a hybrid way, and fully integrating functions like solar charging and 230V charging, we not only saved ...

The Wattsun Solarkit is not just a set of solar panels and wiring. Wattsun has developed a unique and simple system that allows the solar panels to be installed on any construction trailer, work van, or site office. If you purchase a Solarkit, you can easily place the solar panels yourself with the provided manual. ...

Stapel een Wattsun Pack op de Wattsun Dock om de capaciteit te vergroten. De Wattsun Packs kunnen linksom of rechtsom worden gestapeld en worden automatisch met elkaar gekoppeld. De bovenste module wordt als eerste ontladen, zodat het mogelijk is om een lege batterij tijdens gebruik eenvoudig te wisselen voor een volle batterij.
