Who is a solar company in Tanzania?

We design, procure, install, maintain & operate tailor-made solar solutions for both residential & commercial clients across Tanzania. We are also a Renewable Energy Components Distribution Company, providing genuine products from reputable manufacturers across the globe.

Where can I buy solar power in Tanzania?

Various companies are active in the solar power business in Tanzania, serving all different market segments. In fact, these companies selling solar products range from importers to wholesalers, retailers and local solar shops. Most are centred around larger cities, particularly Dar es Salaam, Mwanza and Arusha.

How much does solar energy cost in Tanzania?

The estimated cost for the first phase is TZS 109 billion, the works are expected to start in June 2023 and be completed within 12 months. During the event, the Minister of Energy acknowledged that this marks the first introduction of solar electricity into the national grid of Tanzania.

Who sells off-grid solar energy systems in Tanzania?

Enda Solar sells off-grid solar energy systems in Tanzania, in cooperation with Medici Engineering GmbH, a Swiss engineering innovator. ENSOL is a Tanzanian electrical contractor specializing in solar energy products. The company delivers off-grid and commercial solar systems, as well as technical support by its in-house engineering team.

How can Tanzania secure its electricity supply?

The project aims to secure Tanzania's electricity supply by helping to increase generation capacity and diversify its energy mix through the development of renewable energies (first 50 megawatts phase of a 150 megawatts solar programme) and increase the reliability of the national electricity system.

Will Tanzania's first solar power station feed into the national electricity grid?

Tanzania has entered into an agreement to construct the country's first-ever solar photovoltaic power station to feed into the national electricity grid. The contract was signed on 29th May 2023, in Dodoma by the Tanzania Electricity Corporation (TANESCO), in the presence of the Minister of Energy, Hon. January Makamba.
