Language map of the island of Timor. The Malayo-Polynesian Tetum form the largest ethnic group in East Timor with approximately 450,000 people and the second largest in West Timor with 500,000 people. They only migrated in the 14th century, when according to their records, the Tetum people came from Malacca.

What are US relations with Timor-Leste?

U.S. relations with Timor-Leste focus primarily on fostering political stability and economic development and diversification with a young nation that has major needs in many areas, and deepening the U.S. relationship with a developing nation within the Indo-Pacific region.

Does Timor-Leste have good governance?

These states enjoy neither a long history of democratic or good governance, nor the political consensus necessary to sustain a regime of impartial, technocratic resource management. When Timor-Leste gained its independence, democracy faced long odds by any account. It ranked as one of the world's poorest and most underdeveloped countries.

Which countries support Timor-Leste?

Timor-Leste receives extensive political, economic and security assistance from Australia, New Zealand, Portugal, and the United Nations. Australia is the largest international donor to Timor-Leste, and it played a large role in providing stability in the new nation's early years.

Is sovema group a good customer for EnerSys?

We are proud to announce that Sovema Group has been part of a great goal achieved by its long-term customer EnerSys. Last week EnerSys has been awarded the Better Project Award from the U.S. Department of Energy (DOE) Better Plants Program thanks to the implementation of the Sovema Cold Cube Cutting system.
