

# Typos on State Grid Weibo

## Is Weibo a social media platform?

This paper delineates the historical evolution of Weibo as a social media platform(2009-2019). Rather than focusing on individual case event,we showcase how Weibo is enveloped by and also mutually shapes the push-and-pull forces of the platform's commodification,political control and the Chinese internet ecology writ large.

## Is Weibo a public and commercial platform?

Focusing on the discursive formation about Weibo as a public and commercial platform, my study contributes to the burgeoning platform studies.

## Which governmental accounts on Weibo are the best?

In recent years, People's Daily regularly released Governance Index Weibo Impact Report about governmental accounts on Weibo in terms of their communication, services, interactivity and recognition. According to the latest report in 2019, @China Police Online, @Central Youth League and @China fire are the top three in the ranking list.

## Is Weibo a blurring boundary between corporate and public interests?

This transformation is taking place at the tightening state control of digital media, suggesting a blurring boundary between corporate and public interests under such circumstance. Weibo was launched in August 2009 as the micro-blogging service of Sina.com, one of China's leading technology companies.

## What is Weibo & how does it work?

Weibo was launched in August 2009 as the micro-blogging service of Sina.com, one of China's leading technology companies. It has since played an essential part in the public life of the Chinese people, reflecting China's socio-political transition in the post-Olympics decade.

## Is Weibo a microblogging site?

Launched in 2009, Weibo (Sina Weibo) is a leading and largest microblogging site in China. Weibo's MAUs (monthly active users) and DAUs (daily active users) reached 465 million and 203 million respectively by the end of March 2019. About 93% of users accessed Weibo through mobile devices (CMMO.com, 2019).

[ad\_1] A crackdown on "typos" used to unfold "unlawful and dangerous info," and the censorship of an unpublished draft novel, have illustrated the additional narrowing of ...
