Particularly the particles one that increases everything from dust kicked up by carts and horses to leaves and fauna blowing around in the woods and everything in between. Hard to go back from that especially in Mexico.

I'll be releasing AI Upscaled mods in batches of 10. The first will drop by or before this weekend. There will be NO batch-processing of textures. Each texture is getting upscaled by hand to ensure the correct settings are used for each. I am capping each texture at 4x Scale to ensure no one texture becomes too large.
